Entry of discharge of mortgage

- 76.** (1) Where a registered mortgage is discharged, the Registrar of Shipping shall, on the production of the mortgage deed, with a receipt for the mortgage money endorsed on the deed, signed and attested, make an entry in the register to the effect that the mortgage has been discharged; and on that entry being made the estate, if any, which passed to the mortgagee shall vest in the person in whom, having regard to intervening acts and circumstances, if any, it would have vested if the mortgage had not been made.

Mortgagee not owner and mortgagee’s power of sale

- 78.** (1) Except as far as may be necessary for making a mortgaged ship or a share in the ship available as a security for the mortgage debt, a mortgagee shall not by reason of the mortgage be deemed to be the owner of the ship or share in the ship, nor shall the mortgagor be deemed to have ceased to be owner of the ship.
- (2) Subject to subsection (3) and an order of a court of competent jurisdiction, every registered mortgagee has the power, in accordance with the terms of the mortgage, if the mortgage money or any part of it is due, to sell the ship or share

in respect of which mortgagee is registered, and to give valid receipts for the purchase money.

- (3) Where two or more mortgagees are registered in respect of the same ship or share, a subsequent mortgagee shall not, except under an order of a court of competent jurisdiction, sell the ship or share without the concurrence of every prior mortgagee.

- (2) Subject to subsection 222(9), where a renewal survey is completed within three months before the expiry of an existing certificate, the new certificate is valid for a period beginning with the date of completion of the renewal survey and ending on a date which does not exceed five years from the expiry of the existing certificate.
- (3) Subject to subsection 222(9), where a renewal survey is completed after the expiry of the existing certificate, the new certificate is valid for a period beginning with the date of completion of the renewal survey and ending on a date which does not exceed five years from the expiry of the existing certificate.

Extension of periods of validity of an International Load Line Certificate

- 222.** (1) If an International Load Line Certificate is issued for a period of less than five years, the Assigning Authority may extend the validity of the certificate beyond the expiry date to a period not exceeding five years beginning with the date of completion of the initial or renewal survey, provided that the annual surveys applicable when a certificate is issued for a period of five years are carried out as appropriate.
- (2) If, after the renewal survey, a new certificate cannot be issued to the ship before the expiry of the existing certificate, the Assigning Authority may extend the validity of the existing certificate for a period which shall not exceed five months, if the Assigning Authority is satisfied that there have been no alterations in the structure, equipment, arrangements, materials or scantlings which affect the ship's freeboard.
 - (3) Where an extension is granted pursuant to subsection (2), the Assigning Authority shall endorse the extension on the existing certificate.
 - (4) If, at the time when a certificate expires, a ship is not in the port in which it is to be surveyed, the Assigning Authority may extend the validity of the certificate for a period no longer than three months beginning with the date of expiry of the certificate if —
 - (a) the Assigning Authority is satisfied that it is proper and reasonable to extend the validity of the certificate for the purpose of allowing the ship to complete its voyage to the port in which it is to be surveyed; and
 - (b) the Assigning Authority, if not the Chief Executive Officer, has the authority of the Chief Executive Officer to grant such an extension.

- (5) Where a ship has been granted an extension pursuant to subsection (4), on its arrival in the port in which it is to be surveyed, the ship shall be subject to a renewal survey.
- (6) Subject to subsection (9), a certificate issued following a renewal survey referred to in subsection (5) shall have an expiry date not exceeding five years from the date of expiry of the previous certificate before the extension was granted pursuant to subsection (4).

- (8) Subject to subsection (9), where a renewal survey is completed following an extension granted pursuant to subsection (7), the Assigning Authority shall ensure that the new certificate is valid for a period ending on a date which does not exceed five years from the expiry of the previous certificate before the extension was granted.
- (9) In special circumstances, as determined by the Assigning Authority, it is not required that a new certificate be dated from the expiry of the existing certificate as required by subsections (4) and (6) to (8) and the certificate may instead be valid for a period ending on a date which is not more than five years from the date of completion of the renewal survey.
- (10) If an annual survey is completed before the period specified in section 216(1)(c) then —

 - (b) the Assigning Authority shall complete the subsequent annual survey at the intervals prescribed by section 216(1)(c) using the new anniversary date;
 - (c) the Assigning Authority may permit the expiry date to remain unchanged provided one or more annual surveys are carried out so that the maximum intervals between surveys prescribed by section 216(1)(c) are not exceeded.

 - (a) material alterations have taken place in the hull or superstructures such as would necessitate the assignment of an increased freeboard;
 - (b) the fittings and appliances mentioned in section 216(1)(c)(ii) are not maintained in an effective condition;

- (c) the certificate is not endorsed in accordance with section 216(2) to show the ship has been surveyed in accordance with section 216(1)(c);

- (3) Notwithstanding subsection (1), a ship other than a Cayman Islands ship that is exercising the right of innocent passage under the *United Nations Convention on the Law of the Sea 1982* shall not be detained.

Any question relating to reasonable cause and compensation

- (a) directly, under the terms of a charter party or management agreement made with the owner; or

- (b) it was reasonable for such arrangements not to have been made.

(5) It also is a defence in proceedings for an offence under this section to prove —

 - (i) where the accused is the owner, the owner's responsibilities with respect to the matters relevant to the ship's safety; or
 - (ii) where the accused is liable to proceedings under this section by virtue of subsection (2), so much of those responsibilities as had been assumed by the accused as mentioned in that subsection,

had at the time of the alleged offence been wholly assumed by some other person or persons party to the agreement; and

(b) that, in all the circumstances of the case, the accused had taken such steps as it was reasonable for the accused to take, and exercised such diligence as it was reasonable for the accused to exercise, to secure the proper discharge of the relevant responsibilities during the period during which they had been assumed by some other person or persons as mentioned in paragraph (a),

and, in determining whether the accused had done so, regard shall be had in particular to the matters mentioned in subsection (6).

(6) The matters referred to in subsection (6) are —

(a) whether prior to the time of the alleged offence the accused was, or in all the circumstances ought reasonably to have been, aware of any deficiency in the discharge of the relevant responsibilities; and

(b) the extent to which the accused was or was not able, under the terms of any such charter party or management agreement as is mentioned in subsection (5)(a) —

(i) to terminate it; or

(ii) to intervene in the management of the ship,

in the event of any such deficiency, and whether it was reasonable for the accused to place himself or herself in that position.

(7) In this section —

“**management agreement**”, in relation to a ship, means an agreement, other than a charter party or a contract of employment, under which the ship is managed, either wholly or in part, by a person other than the owner, whether on behalf of the owner or on behalf of some other person; and

“**relevant responsibilities**” shall be construed in accordance with subsection (5).

(8) References in this section to responsibilities being assumed by a person under the terms of a charter party or management agreement are references to the responsibilities being so assumed by the person whether or not the person has entered into a further charter party or management agreement providing for them to be assumed by some other person.

unless the ship would not be so proceeding but for weather conditions or any other unavoidable circumstances.

- (3) A person who, being the owner of a ship to which this section applies, fails to discharge the duty imposed on the person by subsection (1), commits an offence and is liable on summary conviction to a fine of twenty thousand dollars and to imprisonment for six months.
- (4) Where any such ship is chartered by demise, or is managed, either wholly or in part, by a person other than the owner under the terms of a management agreement within the meaning of section 244, any reference to the owner of the ship in subsections (1) or (3) shall be construed as including a reference —
- (a) to the charterer under the charter by demise;
 - (b) to any such manager as mentioned above; or
 - (c) if the ship is both chartered and managed as mentioned above, to both the charterer and any such manager,

and accordingly, the reference in subsection (1) to the taking of all reasonable steps shall, in relation to the owner, the charterer or any such manager, be construed as a reference to the taking of all such steps as it is reasonable for the owner, the charterer or any such manager to take in the circumstances of the case.

Conversion of special drawing rights

- 328.** For the purpose of converting the amounts mentioned in sections 325 and 327 from SDR into dollars, the day of conversion shall be construed as the date on which the limitation fund was constituted or, if no sum has been so fixed for that date, the last preceding date for which a sum has been so fixed.

Aggregation of claims

- (b) produce a guarantee acceptable by the Court, together with interest thereon from the date of the occurrence giving rise to the liability until the date of the constitution of the fund,

and the fund so constituted shall be available only for the payment of claims in respect of which limitation of liability can be invoked.

- (4) In making any distribution in accordance with this section, the Court may, if it thinks fit, postpone the distribution of such part of the amount to be distributed

as it deems appropriate having regard to any claims, subrogated or otherwise, that may be established later.

Bar to other actions

- 332.** (1) Where a limitation fund has been constituted in accordance with section 330, a person having made a claim against the fund shall be barred from exercising any right in respect of such claim against any other assets of a person by or on behalf of whom the fund has been constituted.
- (2) Where a ship or other property is attached or arrested in connection with a claim which appears to the Court to be founded on liability to which limitation is applicable under this Chapter, and in respect of which a fund has been constituted or a security or guarantee has been deposited, the Court shall order the release of the ship or property if the limitation fund has been constituted in the Islands or at —

- (3) Subsections (1) and (2) shall apply only if the claimant brings a claim before the Court and the limitation fund is actually available and freely transferable in respect of that claim.

Governing law

- 333.** Where a limitation fund is constituted in the Islands, the rules relating to its constitution and distribution, and all rules of procedure in connection with the limitation fund, shall be governed by the laws of the Islands.

Apportionment of liability for damage or loss

- 334.** (1) Where, by the fault of two or more ships, damage or loss is caused to one or more of those ships, to their cargoes or freight or to any property on board, the liability to make good the damage or loss shall be in proportion to the degree in which each ship was at fault.
- (2) If, in any such case, having regard to all the circumstances, it is not possible to establish different degrees of fault, the liability shall be apportioned equally.
- (3) This section applies to persons other than the owners of ships who are responsible for the faults of the ships, as well as to the owners of ships and where, by virtue of any charter or demise, or for any other reason, the owners

are not responsible for the navigation and management of the ship in question, this section applies to the charterers or other persons for the time being so responsible instead of the owners.

- (4) Nothing in this section shall operate so as to render any ship liable for any loss or damage to which the fault of the ship has not contributed.
- (5) Nothing in this section shall affect the liability of any person under a contract of carriage or any contract, or shall be construed as imposing any liability upon any person from which the person is exempted by any contract or by any provision of law, or as affecting the right of any person to limit the person's liability in the manner provided by law.

- (2) Section 334(3) applies also to this section.
 - (3) Nothing in this section shall be construed as depriving any person of any right of defence on which, apart from this section, the person might have relied on in an action brought against the person by the person injured, or any person or persons entitled to sue in respect of such loss of life, or shall affect the right of any person to limit that person's liability in the manner provided by law.
 - (4) In this section, references to damage or loss caused by the fault of a ship include references to any salvage or other expenses, consequent upon that fault, recoverable at law by way of damages.

- the person may recover, by way of contribution, the amount of the excess from the owners of the other ship or ships to the extent to which those ships were respectively at fault.
- (2) Section 334(3) applies also to this section.

- (3) Nothing in this section authorises the recovery of any amount which could not, by reason of any statutory or contractual limitation of, or exemption from, liability, or which could not for any other reason, have been recovered in the first instance as damages by the persons entitled to sue therefor.
- (4) In addition to any other remedy provided by law, the persons entitled to any contribution recoverable under this section shall, for the purposes of recovering it, have the same rights and powers as the persons entitled to sue for damages in the first instance.

- (2) The extent of the fault is immaterial for the purposes of this section.
- (3) Subject to subsection (5), no proceedings to which this section applies shall be brought after the period of two years from the date when —
- (a) the damage or loss was caused; or
 - (b) the loss of life or injury was suffered.
- (4) Subject to subsection (5), no proceedings under section 334, 335 or 336 to enforce any contribution in respect of any overpaid proportion of any damages for loss of life or personal injury shall be brought after the period of one year from the date of payment.
- (5) The Court, if satisfied that there has not been, during any period allowed for bringing proceedings, any reasonable opportunity of arresting the defendant ship may extend the period allowed to bring proceedings if it thinks it just to do so.

Scope of application of Chapter

- 338.** (1) Subject to subsection (3), this Chapter shall apply whenever a person referred to in section 320 seeks to limit that person's liability before the Court or seeks to procure the release of a ship or other property, or the discharge of any security given within the jurisdiction of the Islands.

- (2) Subject to subsection (3), where the loss or damage arises from anything done or omitted by a person in the person's capacity as master or member of the crew or (otherwise than in that capacity) in the course of the person's employment as a servant of the owner of the ship, subsection (1) shall also exclude the liability of —

- (c) any pollution damage so caused in the territory of the Islands by any measures so taken.
- (2) Where, as a result of any occurrence there arises a relevant threat of contamination of pollution damage being caused outside a ship by the contamination which might result if there were a discharge or escape of oil from the ship then, except as provided for in this Chapter, the registered owner of the ship is liable for —

Restriction of liability for oil pollution

343. (1) Where, as a result of any occurrence —

- (b) there arises a relevant threat of contamination falling within this Chapter, whether or not the registered owner of the ship in question incurs a liability under this Chapter, no person mentioned in subsection (2) is liable for any pollution damage unless it resulted from anything done or omitted to be done by that person either with intent to cause any such damage or recklessly and in the knowledge that any such damage would probably result.

territory of the Islands and no measures are reasonably taken to prevent or minimise such damage in that territory; or

- (b) any relevant threat of contamination falling within this Chapter arises but no measures are reasonably taken to prevent or minimise such pollution damage in the territory of the Islands,

a court in the Islands shall not entertain any action to enforce a claim arising from any relevant pollution damage or cost —

- (3) Subject to subsection (4), an insurer may limit the insurer's liability in relation to claims in respect of liability under section 348 which are made against the insurer by virtue of this section in the same manner and to the same extent as the owner may limit the owner's liability by virtue of Chapter 2 of this Part.
- (4) An insurer may limit liability under subsection (3) but the insurer may do so whether or not the discharge or escape, or, as applicable, the threat of contamination, resulted from any act or omission mentioned in section 323.

- (3) For the purposes of subsection (2), provisions of such an international convention as is mentioned in that subsection which do not have mandatory application to carriage by sea shall be treated as having mandatory application to carriage by sea if it is stated in the contract of carriage for the carriage in question that those provisions are to apply in connection with the carriage.

Liability of the carrier

- 360.** (1) A carrier is liable for the damage suffered as a result of the death of or personal injury to a passenger and the loss of or damage to luggage if the incident which caused the damage so suffered occurred in the course of the carriage and was due to the fault or neglect of the carrier or of the servants or agents of the carrier acting within the scope of their employment.
- (2) Subject to subsections (3) and (4), a claimant shall carry the burden of proving —
- (a) that the incident which caused the loss or damage occurred in the course of the carriage, and the extent of such loss or damage; and
 - (b) fault or neglect on the part of the carrier or of the servants or agents of the carrier while acting within the scope of their employment.
- (3) Where the death of or personal injury to the passenger, or the loss of or damage to cabin luggage, arose from or in connection with a shipwreck, collision, stranding, explosion or fire, or defect in the ship, there shall be a presumption of fault or neglect on the part of the carrier or the servants or agents of the carrier acting within the scope of their employment, unless there is proof to the contrary.
- (4) In respect of loss of or damage to luggage other than cabin luggage, there shall be a presumption of fault or neglect on the part of the carrier or the servants or agents of the carrier acting within the scope of their employment, irrespective of the nature of the incident which caused the loss or damage, unless there is proof to the contrary.

Performing carrier

361. Where the performance of the carriage or part of the carriage has been entrusted to a performing carrier —

- (a) subject to paragraphs (b), (c), (d) and (e), the carrier shall be liable under this Chapter for the entire carriage, and in relation to the carriage performed by the performing carrier, shall be liable for the acts and omissions of the performing carrier and of the servants and agents of the performing carrier acting within the scope of their employment;
- (b) subject to paragraphs (a), (c), (d) and (e), the performing carrier shall be subject and entitled to the provisions of this Chapter for the part of the carriage performed by the performing carrier;
- (c) any special agreement, under which the carrier assumes obligations not imposed by this Chapter or any waiver of rights conferred by this Part, shall not affect the performing carrier unless the performing carrier so agrees expressly and in writing;
- (d) where, and to the extent that, both the carrier and the performing carrier are liable, their liability shall be joint and several; and
- (e) nothing in this section shall prejudice any right of recourse as between the carrier and the performing carrier.

Valuables

362. A carrier is not liable for the loss of or damage to moneys, negotiable securities, gold, silverware, jewellery, ornaments, works of art or other valuables except where the valuables have been deposited with the carrier for the agreed purpose of safe-keeping, in which case the carrier shall be liable up to the limit provided for in section 364.

Contributory fault

363. Where a carrier proves that the death of or personal injury to a passenger, or the loss of or damage to the passenger's luggage, was caused or contributed to by the fault or neglect of the passenger, the carrier may be exonerated wholly or partly from liability in accordance with the law of the Islands.

Limits of liability

- 364.** (1) The limits of liability of a carrier for death or personal injury shall not exceed the amount determined in paragraph 1 of Article 7 of the *Athens Convention*.
- (2) Where damages are awarded in the form of periodical income payments, the equivalent capital value of those payments shall not exceed the limits prescribed in paragraph (1);
- (3) The limits of liability of the carrier for loss of or damage to luggage shall not exceed the amounts determined in article 8 of the *Athens Convention*.

- (4) Interest on damages and legal costs shall not be included in the limits of liability prescribed in paragraphs (1), (2) and (3).
- (5) The carrier and the passenger may agree, expressly and in writing, to limits of liability higher than those prescribed in paragraphs (1), (2) and (3).

Special drawing rights and conversion

365. For the purpose of converting from SDR into dollars, the day of conversion shall be construed as the date on which the judgment is given or, if no sum has been so fixed for that date, the last preceding date for which a sum has been so fixed.

Defences and limits for carriers, servants

366. If an action is brought against a servant or agent of the carrier or of the performing carrier arising out of damage covered by this Chapter, such servant or agent, if the servant or agent proves that he or she acted within the scope of his or her employment, shall be entitled to avail himself or herself of the defences and limits of liability which the carrier or the performing carrier is entitled to invoke under this Chapter.

Aggregation of claims

- 367.** (1) Where the limits of liability prescribed in section 364 take effect, they shall apply to the aggregate of the amounts recoverable in all claims arising out of the death of or personal injury to any one passenger or the loss of or damage to the passenger's luggage.
- (2) In relation to the carriage performed by a performing carrier, the aggregate of the amounts recoverable from the carrier and the performing carrier and from their servants and agents acting within the scope of their employment shall not exceed the highest amount which could be awarded against either the carrier or the performing carrier under this Chapter, but none of the persons mentioned shall be liable for a sum in excess of the limit applicable to the person.
- (3) In any case where a servant or agent of the carrier or of the performing carrier is entitled under section 366 to avail himself or herself of the limits of liability prescribed in section 364, the aggregate of the amounts recoverable from the carrier or the performing carrier and from that servant or agent, shall not exceed those limits.
- (4) The limitations on liability mentioned in this section in respect of a passenger or the passenger's luggage apply to the aggregate liabilities of the persons in question in all proceedings for enforcing the liabilities or any of them which may be brought whether in the Islands or elsewhere.

Loss of right to limit liability

- 368.** (1) A carrier is not entitled to the benefit of the limits of liability prescribed in section 364 if it is proved that the damage resulted from an act or omission of the carrier, done with the intent to cause such damage, or recklessly and with knowledge that such damage would probably result.
- (2) The servant or agent of the carrier or of the performing carrier is not entitled to the benefit of those limits prescribed in section 364 if it is proved that the damage resulted from an act or omission of that servant or agent done with the intent to cause such damage, or recklessly and with knowledge that such damage would probably result.

Basis for claim

- 369.** No action for damages for the death of or personal injury to a passenger, or for the loss of or damage to luggage, shall be brought against a carrier or performing carrier otherwise than in accordance with this Chapter.

Notice of loss or damage to luggage

- 370.** (1) A passenger shall give written notice to the carrier or the carrier's agent —
- (a) in the case of apparent damage to luggage —
 - (i) for cabin luggage, before or at the time of disembarkation of the passenger; and
 - (ii) for all other luggage, before or at the time of its redelivery; and
 - (b) in the case of damage to luggage which is not apparent, or loss of luggage, within fifteen days from the date of disembarkation or redelivery or from the time when such redelivery should have taken place.
- (2) If a passenger fails to comply with this section, the passenger shall be presumed, unless the contrary is proved, to have received the luggage undamaged.
- (3) The notice in writing need not be given in accordance with subsection (1) if the condition of the luggage has, at the time of its receipt, been the subject of joint survey or inspection.

Time-bar for actions

- 371.** (1) Subject to subsections (2), (3) and (4), any action for damages arising out of the death of or personal injury to a passenger, or for the loss of or damage to luggage, shall be time-barred after a period of two years.
- (2) The limitation period under subsection (1) shall be calculated —
- (a) in the case of personal injury, from the date of disembarkation of the passenger;
 - (b) in the case of death occurring during carriage, from the date when the passenger should have disembarked;

- (c) in the case of personal injury occurring during carriage and resulting in the death of the passenger after disembarkation, from the date of death, provided that this period shall not exceed three years from the date of disembarkation; or
 - (d) in the case of loss of or damage to luggage, from the date of disembarkation or from the date when disembarkation should have taken place, whichever is later.
- (3) The Court may, at its discretion, determine the suspension and interruption of limitation periods, but in no case shall an action under this Chapter be brought after the expiration of a period of three years from the date of disembarkation of the passenger or from the date when disembarkation should have taken place, whichever is later.
- (4) Notwithstanding subsections (1), (2) and (3), the period of limitation may be extended by a declaration in writing of the carrier or by agreement in writing of the parties after the cause of action has arisen.

Competent jurisdiction

- 372.** (1) Proceedings under this Chapter may be brought before the Court by a claimant if —
- (a) the permanent residence or principal place of business of the claimant or the defendant is situated in the Islands;
 - (b) the place of departure or destination of the claimant according to the contract of carriage is in the Islands; or
 - (c) the contract of carriage was entered into in the Islands and the defendant has a place of business in, and is subject to, the jurisdiction of the Islands.
- (2) After the occurrence of the incident causing the damage, subject to agreement by the parties, the claim for damages may be submitted to arbitration, and section 371 shall, in such case, apply to an arbitration as it applies to an action.
- (3) Subject to subsection (4), the Court before which proceedings are brought under subsection (1) to enforce a liability which is limited by virtue of section 367 may, at any stage of the proceedings, make such orders as appear to the Court to be just and equitable in view of the provisions of section 367 and of any other proceedings which have been or are likely to be begun in the Islands or elsewhere to enforce the liability in whole or in part.
- (4) Without prejudice to the generality of subsection (3), the Court shall, where the liability is or may be partly enforceable in other proceedings in the Islands or elsewhere, have jurisdiction —
- (a) to award an amount less than the Court would have awarded if the limitation applied solely to the proceedings before the Court; or

- (b) to make any part of its award conditional on the results of any other proceedings.

Invalidity of contractual provisions

373. Any contractual provisions concluded before the occurrence of the incident which has caused the death of or personal injury to a passenger or the loss of or damage to the passenger's luggage, which —

- (a) purports to relieve the carrier of its liability towards the passenger or to prescribe a lower limit of liability than that fixed in this Chapter; and
- (b) purports to shift the burden of proof which rests on the carrier, or having the effect of restricting the application of section 372(1),

shall be null and void, but the nullity of that provision shall not render void the contract of carriage which shall remain subject to this Chapter.

Application of other limitation regimes

374. This Chapter does not modify the rights or duties of —

- (a) a carrier; or
- (b) performing carrier,

and their servants or agents provided for in international conventions applicable to the Islands or any other law of the Islands relating to the limitation of liability of owners of seagoing ships.

Nuclear damage

375. No liability shall arise under this Chapter for damage caused by a nuclear incident if liability arises under an international convention relating to nuclear damage applicable to the Islands, or any other law of the Islands relating to nuclear damage.

Commercial carriage by state-owned ships

376. This Chapter applies to commercial carriage undertaken by ships owned by the Government or a public authority under contracts of carriage within the meaning of section 358.

Carrier's obligation to give notice to passengers

377. The Governor may, by Order —

- (a) require a person who is the carrier, in relation to a passenger, to give to the passenger, in a manner specified in the Order, notice of such of the provisions of this Chapter as are so specified; and
- (b) provide that a person who fails to comply with a requirement imposed on the person by the Order, commits an offence and is liable on summary conviction to a fine of four thousand dollars.

Application of section 338(4)

378. Nothing in this Chapter affects the operation of section 338(4) which limits a shipowner's liability in certain cases of loss of life, injury or damage.

Application of section 339

379. Nothing in section 339 which, among other things, limits a shipowner's liability for the loss of or damage to goods in certain cases, shall relieve a person of any liability imposed on that person by this Chapter.

Athens Protocol regulations

380. Notwithstanding section 318, the Cabinet may make such regulations as may appear to it to be necessary to give effect to the *Athens Protocol of 2002* and in relation to matters generally relating to the *Athens Protocol of 2002*.

Chapter 7 - Liability for Oil Pollution in case of Tankers

Definitions in this Chapter

381. (1) In this Chapter —

“**Liability Convention country**” means a country in respect of which the *Liability Convention* is in force;

“**owner**” means the person or persons registered as the owner of the ship, or in the absence of registration, the person or persons owning the ship; however, in the case of a ship owned by a State and operated by a company which in that State is registered as the ship's operator, “**registered owner**” means such company; and

“**ship**” means any seagoing vessel or sea-borne craft of any type.

- (2) In relation to any pollution damage or cost resulting from the discharge or escape of any oil from a ship, or from a relevant threat of contamination, references in this Chapter to the owner of the ship are references to the owner at the time of the occurrence or first of the occurrences resulting in the discharge or escape or, as applicable, in the threat of contamination.

Liability for oil pollution in case of tankers

382. (1) Where, as a result of any occurrence, any oil is discharged or escapes from a ship to which this section applies, then (except as otherwise provided by this Chapter) the owner of the ship is liable for —

- (a) any pollution damage caused outside the ship in the territory of the Islands by contamination resulting from the discharge or escape;
- (b) the cost of any measures reasonably taken after the discharge or escape for the purpose of preventing or minimising any pollution damage so caused

- in the territory of the Islands by contamination resulting from the discharge or escape; and
- (c) any pollution damage caused in the territory of the Islands by any measures so taken.
- (2) Where, as a result of any occurrence, there arises a relevant threat of contamination being caused outside a ship to which this section applies by the contamination that might result if there were a discharge or escape of oil from the ship, then (except as otherwise provided by this Chapter) the owner of the ship is liable for —
- (a) the cost of any measures reasonably taken for the purpose of preventing or minimising any such pollution damage in the territory of the Islands; and
- (b) any pollution damage caused outside the ship in the territory of the Islands by any measures taken.
- (3) Subject to subsection (4), this section applies to any ship constructed or adapted for carrying oil in bulk as cargo.
- (4) Where any ship so constructed or adapted is capable of carrying other cargoes besides oil, this section shall apply to any other ship —
- (a) while it is carrying oil in bulk as cargo; and
- (b) unless it is proved that no residues from the carriage of any such oil remain in the ship, while it is on any voyage following the carriage of any such oil,
- but not otherwise.
- (5) Where a person incurs a liability under subsections (1) or (2), the person is also liable for any pollution damage or cost for which the person would be liable under that subsection if the references in it to the territory of the Islands included the territory of any other Liability Convention country.
- (6) Where —
- (a) as a result of any occurrence, a liability is incurred under this section by the owner of each of two or more ships; but
- (b) the damage or cost for which each of the owners would be liable cannot reasonably be separated from that for which the other or others would be liable,
- each of the owners is liable jointly with the other or others, for the whole of the damage or cost for which the registered owners together would be liable under this section.

Restriction of liability for oil pollution

- 383.** (1) Where, as a result of any occurrence there is a discharge or escape of oil from a ship to which section 382 applies or there arises a relevant threat of contamination falling within subsection (2) of that section, whether or not the owner of the ship in question incurs a liability under section 382 —
- (a) the owner is not liable otherwise than under that section for any such pollution damage or cost as is mentioned in it; and
 - (b) no person to whom this paragraph applies shall be liable for any such pollution damage or cost unless it resulted from anything done or omitted to be done by the person either with intent to cause any such damage or cost or recklessly and in the knowledge that any such damage or cost would probably result.
- (2) Subsection (1)(b) applies to —
- (a) a servant or agent of the registered owner of the ship;
 - (b) a person not falling within paragraph (a) but employed or engaged in any capacity on board the ship or to perform any service for the ship;
 - (c) a charterer of the ship (however described and including a bareboat charterer) and any manager or operator of the ship;
 - (d) a person performing salvage operations with the consent of the registered owner of the ship or on the instructions of a competent public authority;
 - (e) a person taking any such measures as are mentioned in section 382(1)(b) or (2)(a); or
 - (f) a servant or agent of a person falling within paragraph (c), (d) or (e).
- (3) In calculating the liability of a person under section 382, compensation for impairment of the environment, other than loss of profit, is limited to the costs of reasonable measures of reinstatement actually undertaken or to be undertaken.

Limitation of liability under section 382

- 384.** (1) Where, as a result of any occurrence, the owner of a ship incurs liability under section 382 by reason of a discharge or escape or by reason of any relevant threat of contamination falling within subsection (2) of that section, then, subject to subsection (2) —
- (a) the owner of the ship may limit that liability in accordance with this Chapter; and
 - (b) if the owner of the ship limits liability in accordance with this Chapter, the liability of the owner of the ship, being the aggregate of the liabilities of the owner of the ship under section 382 resulting from the occurrence, shall

not exceed the amount determined in paragraph 1 of Article V of the *Liability Convention*.

- (2) Subsection (1) does not apply in a case where it is proved that the discharge or escape, or the relevant threat of contamination, as applicable, resulted from anything done or omitted to be done by the owner either with intent to cause any such damage or cost as is mentioned in section 382 or recklessly and in the knowledge that any such damage or cost would probably result.

Limitation actions

- 385.** (1) Where the owner of a ship has or is alleged to have incurred a liability under section 382, the owner of the ship may apply to the Court for the limitation of that liability to an amount determined in accordance with section 384.
- (2) If, on an application under subsection (1), the Court finds that the applicant has incurred such a liability but has not found that the applicant is not entitled to limit it, the Court shall, after determining the limit of the liability and directing payment into the Court of the amount of that limit —
 - (a) determine the amounts that would, apart from the limit, be due in respect of the liability to the several persons making claims in the proceedings; and
 - (b) direct the distribution of the amount paid into Court, (or, as applicable may be, so much of it as does not exceed the liability,) among those persons in proportion to their claims, subject to subsections (3) to (9).
 - (3) Where —
 - (a) a distribution is made under subsection (2)(b) without the Court having found that the applicant is entitled to limit the applicant's liability; and
 - (b) the Court subsequently finds that the applicant is not so entitled,the making of the distribution is not to be regarded as affecting the applicant's liability in excess of the amount distributed.
 - (4) A payment into the Court of the amount of a limit determined under this section shall be made in dollars and for the purpose of converting from SDR into dollars the day of conversion shall be construed as the date on which the determination is made or, if no sum has been so fixed for that date, the last preceding date for which a sum has been so fixed.
 - (5) A claim shall not be admitted in proceedings under this section unless it is made within such time as the Court may direct or such further time as the Court may allow.
 - (6) Where any sum has been paid in or towards satisfaction of any claim in respect of the pollution damage or cost to which the liability extends —
 - (a) by the owner or the insurer in relation to any insurance provided as referred to in subsection (1); or

- (b) by a person who has or is alleged to have incurred a liability, otherwise than under section 382, for the damage or cost and who is entitled to limit the person's liability in connection with the ship by virtue of Chapter 2 of this Part,

the person who paid the sum shall, to the extent of that sum, be in the same position with respect to any distribution made in proceedings under this section as the person to whom it was paid would have been.

- (7) Where the person who incurred the liability has voluntarily made any reasonable sacrifice or taken any other reasonable measures to prevent or reduce damage to which the liability extends or might have extended, the person shall be in the same position with respect to any distribution made in proceedings under this section as if the person had a claim in respect of the liability equal to the cost of the sacrifice or other measures.
- (8) The Court may, if it thinks fit, postpone the distribution of such part of the amount to be distributed as it deems appropriate having regard to any claims that may later be established before a court of any country outside the Islands.
- (9) No lien or other right in respect of any ship or other property shall affect the proportions in which any amount is distributed under subsection (2)(b).

Restriction on enforcement after establishment of limitation fund

386. Where the Court has found that a person who has incurred a liability under section 382 is entitled to limit that liability to any amount and the person has paid into Court a sum not less than that amount —

- (a) the Court shall order the release of any ship or other property arrested in connection with a claim in respect of that liability or any security given to prevent or obtain release from such an arrest; and
- (b) no judgment or decree for any such claim shall be enforced, except so far as it is for costs,

if the sum paid into Court, or such part of the sum as corresponds to the claim, will be actually available to the claimant or would have been available to the claimant if the proper steps in the proceedings under section 385 had been taken.

Concurrent liabilities of owners and others

387. Where, as a result of any discharge or escape of oil from a ship or as a result of any relevant threat of contamination, the owner of the ship incurs a liability under section 382 and any other person incurs a liability, otherwise than under that section, for any such damage or cost as is mentioned in subsections (1) or (2) of that section then, if —

- (a) the owner has been found in proceedings under section 385 to be entitled to limit the owner's liability to any amount and has paid into Court a sum not less than that amount; and

- (b) the other person is entitled to limit that person's liability in connection with the other ship by virtue of Chapter 2 of this Part,

no proceedings shall be taken against the other person in respect of the person's liability, and if any such proceedings were commenced before the owner paid the sum into court, no further steps shall be taken in the proceedings except in relation to costs.

Establishment of limitation fund outside the Islands

388. Where the events resulting in the liability of a person under section 382 also resulted in a corresponding liability under the law of another Liability Convention country—

- (a) sections 386 and 387 apply as if the references to sections 382 and 385 included references to the corresponding provisions of that law; and
- (b) the references to sums paid into the Court included references to any sums secured under those provisions in respect of the liability.

Compulsory insurance against liability for oil pollution

389. (1) Subject to the provisions of this Chapter relating to Government ships, subsection (2) applies to any ship carrying in bulk a cargo of more than two thousand tons of oil.

- (2) The ship shall not enter or leave a port in the Islands or arrive at or leave a terminal in the territorial sea of the Islands nor, if the ship is a Cayman Islands ship, a port in any other country or a terminal in the territorial sea of any other country, unless there is in force a certificate complying with subsection (3) and showing that there is in force in respect of the ship a contract of insurance satisfying the requirements of Article VII of the *Liability Convention*.

(3) The certificate referred to under subsection (2) shall be —

- (a) if the ship is a Cayman Islands ship, a certificate issued by the Chief Executive Officer;
- (b) if the ship is registered in a Liability Convention country other than the Islands, a certificate issued by or under the authority of the government of the other Liability Convention country; or
- (c) if the ship is registered in a country which is not a Liability Convention country, a certificate issued by the Chief Executive Officer or by or under the authority of the government of any Liability Convention country other than the Islands.

(4) Any certificate required by this section to be in force in respect of a ship shall be carried in the ship and shall, on demand, be produced by the master to any customs and border control officer, the Chief Executive Officer or any surveyor authorised by the Chief Executive Officer for the purpose.

(5) If a ship enters or leaves, or attempts to enter or leave, a port or arrives at or leaves, or attempts to arrive at or leave, a terminal in contravention of subsection

- (2), the master or owner commits an offence and is liable on summary conviction to a fine of fifty thousand dollars.
- (6) If a ship fails to carry, or the master of a ship fails to produce, a certificate as required by subsection (4), the master commits an offence and is liable on summary conviction to a fine of four thousand dollars.
- (7) Where a ship which is in a port in the Islands is found to be in contravention of this section, the ship may, in addition to any penalties which may apply, be detained until such contravention is remedied.

Issue of certificate by Chief Executive Officer

- 390.** (1) Subject to subsection (2), if the Chief Executive Officer is satisfied, on the application for a certificate specified under section 389(2) in respect of a Cayman Islands ship or a ship registered in any country which is not a Liability Convention country, that there will be in force in respect of the ship, throughout the period for which the certificate is to be issued, a contract of insurance satisfying the requirements of Article VII of the *Liability Convention*, the Chief Executive Officer shall issue such a certificate to the registered owner.
- (2) The Chief Executive Officer may refuse the certificate if the Chief Executive Officer is of the opinion that there is doubt whether —
- (a) the person providing the insurance will be able to meet the person's obligations thereunder; or
- (b) the insurance will cover the owner's liability under section 382.
- (3) The Chief Executive Officer shall make available for public inspection a copy of any certificate issued by the Chief Executive Officer under this section in respect of a Cayman Islands ship.

Rights of third parties against insurers

- 391.** (1) Where it is alleged that the owner of a ship has incurred a liability under section 382 as a result of any discharge or escape of oil occurring, or as a result of any relevant threat of contamination arising, while there was in force a contract of insurance to which such a certificate as is mentioned in section 389(2) related, proceedings to enforce a claim in respect of the liability may be brought against the insurer.
- (2) In any proceedings brought against the insurer by virtue of this section in respect of liability under section 382 it is a defence, in addition to any defence affecting the owner's liability, to prove that the discharge or escape, or, as applicable, the threat of contamination, was due to the wilful misconduct of the owner.
- (3) The insurer may limit the insurer's liability in relation to claims in respect of liability under section 338 which are made against the insurer by virtue of this section in the same manner and to the same extent as the registered owner may limit the registered owner's liability under section 384, but the insurer may do

so whether or not the discharge or escape, or, as may be applicable, the threat of contamination, resulted from anything done or omitted to be done by the owner as mentioned in section 384(2).

- (4) Where the owner and insurer each applies to the court for the limitation of the owner's or insurer's liability, in relation to liability under section 382, any sum paid into court in pursuance of either application shall be treated as paid also in pursuance of the other.

Jurisdiction of Cayman Islands Court and registration of foreign judgments

392. (1) Where —

- (b) any relevant threat of contamination falling within section 382(2) arises but no measures are reasonably taken to prevent or minimise such damage in the territory of the Islands,

no Court in the Islands shall entertain any action to enforce a claim arising from any relevant damage or cost against —

- (3) Every Liability Convention country shall, for the purposes of any proceedings brought in the Court in the Islands to enforce a claim in respect of a liability incurred under section 382, be deemed to have submitted to the jurisdiction of the Court; and accordingly, Rules of Court may provide for the manner in which the proceedings are to be commenced and carried on.

- (4) In proceedings by the Fund against a person to recover any amount due under section 396, particulars contained in any list transmitted by the Director to the Fund shall, so far as those particulars are based on information obtained under this section, be admissible as evidence of the facts stated in the list.

- (ii) on conviction on indictment, to a fine of fifteen thousand dollars and to imprisonment for twelve months.

Liability of the Fund

398. (1) The Fund shall be liable for pollution damage in the territory of the Islands if the person suffering the damage has been unable to obtain full compensation under section 382 —

(a) because the discharge or escape, or the relevant threat of contamination, by reason of which the damage was caused —

- (i) resulted from an exceptional, inevitable and irresistible phenomenon;
- (ii) was due wholly to anything done or omitted to be done by another person, not being a servant or agent of the owner, with intent to do damage; or
- (iii) was due wholly to the negligence or wrongful act of a government or other authority in exercising its function of maintaining lights or other navigational aids for the maintenance of which it was responsible,

and because liability is accordingly wholly displaced by section 314;

(b) because the owner or insurer liable for the damage cannot meet the owner's or insurer's obligations in full; or

(c) because the damage exceeds the liability under section 382 as limited by section 384.

(2) Subsection (1) shall apply with the substitution for the words “the Islands” for the words “a Fund Convention country” where the incident has caused pollution damage in the territory of the Islands and of another Fund Convention country, and proceedings under the *Liability Convention* for compensation for the pollution damage have been brought in a country which is not a Fund Convention country or in the Islands.

(3) Where the incident has caused pollution damage in the territory of the Islands and of another country in respect of which the *Liability Convention* is in force, references in this section to the provisions of Chapter 7 of this Part shall include references to the corresponding provisions of the law of any country giving effect to the *Liability Convention*.

- (4) For the purposes of this section, an owner or insurer is to be treated as incapable of meeting the owner's or insurer's obligations if the obligations have not been met after all reasonable steps to pursue the legal remedies available have been taken.
- (5) Expenses reasonably incurred, and sacrifices reasonably made, by the owner voluntarily to prevent or minimise pollution damage shall be treated as pollution damage for the purposes of this section, and accordingly the owner shall be in the same position with respect to claims against the Fund under this section as if the owner had a claim in respect of liability under section 382.
- (6) The Fund shall incur no obligation under this section if —
 - (a) it proves that the pollution damage —
 - (i) resulted from an act of war, hostilities, civil war or insurrection; or
 - (ii) was caused by oil which has escaped or been discharged from a warship or other ship owned or operated by a State and used, at the time of the occurrence, only on government non-commercial service; or
 - (b) the claimant cannot prove that the damage resulted from an occurrence involving a ship identified by the claimant or involving two or more ships one of which is identified by the claimant.
- (7) If the Fund proves that the pollution damage resulted wholly or partly —
 - (a) from anything done or omitted to be done with intent to cause damage by the person who suffered the damage; or
 - (b) from the negligence of that person,the Fund may, subject to subsection (9), be exonerated wholly or partly from its obligations to pay compensation to that person.
- (8) Where the liability under section 382 in respect of the pollution damage is limited to any extent by subsection (8) of that section, the Fund shall, subject to subsection (9), be exonerated to the same extent.
- (9) Subsections (7) and (8) do not apply where the pollution damage consists of the costs of preventive measures or any damage caused by such measures.

Limitation of Fund's liability under section 398

- 399.** (1) The Fund's liability under section 398 shall be in accordance with the provisions of the *Fund Convention* and subject to the limits imposed by paragraphs 4 and 5 of Article 4 of the *Fund Convention*.
- (2) A certificate given by the Director of the Fund stating that subparagraph (c) of paragraph 4 of Article 4 of the *Fund Convention* is applicable to any claim under section 398 shall be conclusive evidence that paragraph (c) of subsection (1) is applicable for the purposes of this Chapter and, in any legal proceedings, be

received in evidence and, unless the contrary is proved, be deemed to be such a certificate.

- (3) For the purpose of giving effect to paragraphs 4 and 5 of Article 4 of the *Fund Convention*, the Court giving judgment against the Fund in proceedings under section 398 shall notify the Fund, and —
 - (a) no steps shall be taken to enforce the judgment unless and until the Court gives leave to enforce it;
 - (b) leave shall not be given unless and until the Fund notifies the Court either that the amount of the claim is not to be reduced under those paragraphs, or that it is to be reduced to a specified amount; and
 - (c) in the latter case the judgment shall be enforceable only for the reduced amount.
- (4) Any steps taken to obtain payment of an amount or a reduced amount in pursuance of such a judgment as is mentioned in subsection (3) shall be steps to obtain payment in dollars, and for the purpose of converting from SDR into dollars, the day of conversion shall be construed as the date on which the Assembly of the Fund decides the date for the first payment of compensation in respect of the incident or, if no sum has been so fixed, for that date the last preceding date for which a sum has been so fixed.
- (5) Nothing in this section shall affect the provisions for payment of compensation under the *Fund Protocol of 2003*.
- (6) Any document purporting to be such a certificate as is mentioned in subsection (2) shall, in any legal proceedings, be received in evidence and, unless the contrary is proved, be deemed to be such a certificate.

Jurisdiction and effect of judgments

- 400.** (1) Where, in accordance with rules of court made for the purposes of this subsection, the Fund has been given notice of proceedings brought against an owner or guarantor in respect of liability under section 382, any judgment given in the proceedings shall, after it has become final and enforceable, become binding upon the Fund in the sense that the facts and evidence in the judgment may not be disputed by the Fund even if the Fund has not intervened in the proceedings.
- (2) Where a person incurs a liability under the law of a Fund Convention country corresponding to Chapter 7 of this Part for pollution damage which is partly in the territory of the Islands, subsection (1) shall, for the purpose of proceedings under this Chapter, apply with any necessary modifications to a judgment in proceedings under that law of the said country.

- (3) Subject to subsection (4), any judgment given by a Court in a Fund Convention country to enforce a claim in respect of liability incurred under any provision corresponding to section 398 shall be enforceable by the Court in the Islands.
- (4) No steps shall be taken to enforce such a judgment unless and until the Fund notifies the Court either that the amount of the claim is not to be reduced under paragraph 4 of Article 4 of the *Fund Convention* or that it is to be reduced to a specified amount; and in the latter case, the judgment shall be enforceable only for the reduced amount.

Extinguishment of claims

- 401.** (1) No action to enforce a claim against the Fund under this Chapter shall be entertained by the Court in the Islands unless —
- (a) the action is commenced; or
 - (b) a third party notice of an action to enforce a claim against the owner or the owner’s guarantor in respect of the same damage is given to the Fund, not later than three years after the claim against the Fund arose.
- (2) In subsection (1) “**third party notice**” means a notice of the kind described in section 400(1) and (2).
- (3) No action to enforce a claim against the Fund under this Chapter shall be entertained by the Court in the Islands unless the action is commenced not later than six years after the occurrence, or first of the occurrences, resulting in the discharge or escape, or, as applicable, in the relevant threat of contamination, by reason of which the claim against the Fund arose.

Subrogation

- 402.** (1) In respect of any sum paid by the Fund as compensation for pollution damage, the Fund shall acquire by subrogation any rights in respect of the damage which the recipient has, or, but for the payment would have, against any other person.
- (2) In respect of any sum paid by a public authority in the Islands as compensation for pollution damage, that authority shall acquire by subrogation any rights which the recipient has against the Fund under this Chapter.

Supplementary provisions as to proceedings involving the Fund

- 403.** (1) Any proceedings by or against the Fund may either be instituted by or against the Fund in its own name or be instituted by or against the Director of the Fund as the Fund’s representative.
- (2) Evidence of any instrument issued by any organ of the Fund or of any document in the custody of the Fund, or any entry in or extract from such a document, may be given in any legal proceedings by production of a copy certified as a true copy by an official of the Fund; and any document purporting to be such a copy

shall, in any such proceedings, be received in evidence without proof of the official position or handwriting of the person signing the certificate.
